Walden West is a residential outdoor science school for fifth and sixth-graders throughout Santa Clara County. Students, accompanied by classroom teachers, live and learn in an outdoor environment for a week. Walden West operates on the premise that students learn through hands-on activities in which the educational and living processes merge. Lessons in science, ecology and the environment are brought to life here.

The Special Education Department provides a variety of instructional programs and services for infants, children and youth with severe and low incidence disabilities from birth through 22 years of age. These students live at home, in licensed care institutions or at the local state hospital, and are served more effectively by the comprehensive programs offered by the SCCOE.

Loma Prieta Joint School District is a small, semi-rural, school district runs along the spine of the Santa Cruz Mountains serving just over 500 students in grades K-8. Founded over 60 years ago through the joining of four one room school houses, our district has retained its local identity while becoming one of the highest achieving school districts in the state of California. Loma Prieta Elementary School and C.T. English Middle School are sources of pride in our community carrying on traditi
